OUR CURRENT DEVELOPMENTS

THE
PLANTATION
ESTATES

The Plantation Estates is made up of twenty one detached family homes built with an eye towards high-quality construction, tropical lifestyle and modern design. The villas feature a variety of floorplans and range from 185 square meters to 224 square meters of interior living space. All floorplans offer an open design with special attention to tropical outdoor living space around large luxurious swimming pools.

Flexibility is the trademark of this developer, so modifications and additions to the basic 3 bedroom/3 bathroom floorplans are easily accommodated. Assistance with furniture and interior design elements is also available to help give the home your own unique style.

The Vineyard

PATTAYA THAILAND

The Vineyard, Phase III, La Residence, The Vineyard, previously accredited for its modern, stylish & innovative villa designs, including The Thailand Property Awards' 'Highly Commended' for the Best Villa Development (Eastern Seaboard) 2011 & The Asia Pacific Property Awards 2012-13 'Highly Commended' for Property Single Unit, raises the bar further with the introduction of Phase III, La Residence.

Set within spectacular views of Thailand's natural beauty & tranquility, these homes & lifestyle make La Residence the complete package. Whilst the area inspires relaxation, it also offers easy access to surrounding amenities such as Golf (only 5 minutes to Siam Country Club), a Polo Club & an Equestrian Center as well as Regents International School. A 10-15 minute drive will see you in the Town Center where Shopping Malls, numerous Restaurants, Tropical Beaches & Pattaya's famous Nightlife awaits.

EXTERIOR

The Coral Beach Oceanview Resort embodies a sense of luxury and style with the exterior features showcased in the overall design. Enjoy the rooftop panoramic oceanview terrace with reflection pools, BBQ facilities, and lounge areas for a perfect sunny day or relaxing evening watching the vibrant sunset over the Bay. Between the two boutique buildings of the project a bridge takes you from the rooftop terrace to the infinity edge swimming pool of Building A. The fantastic waterfall provides a calming ambiance and is a primary aesthetic feature of the development.

The architectural team has put a focus on and taken great care to provide garden areas, and landscaping in and around the buildings to give a soft, relaxing feel to the buildings.

Fine stone walls accentuate the exteriors and glass balustrades compliment the luxury feel opening up the view planes to the optimum.
